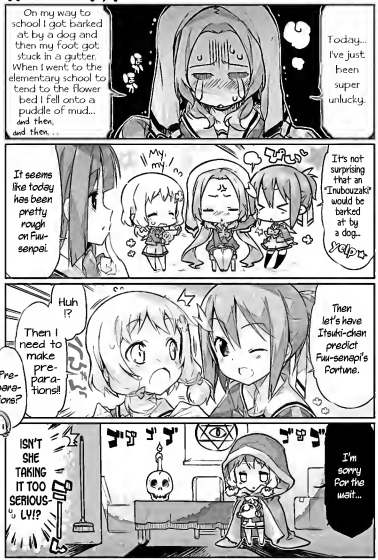
☆This way, please



On my way to school I got barked at by a dog and then my foot got stuck in a gutter. When I went to the elementary school to tend to the flower bed I fell onto a puddle of mud... and then, and then...
Today... I've just been super unlucky.
It seems like today has been pretty rough on Fu-senpai.
My, my!
It's not surprising that an "Inubouzaki" would be barked at by a dog...
Then let's have Itsuki-chan predict Fu-senpai's fortune.
Huh!?
Then I need to make pre-para-tions!!
Prepa-rations?
I'm sorry for the wait...
ISN'T SHE TAKING IT TOO SERIOUS-LY!?

TL note: Fuu's surname contains the kanji for "dog" and "bark"

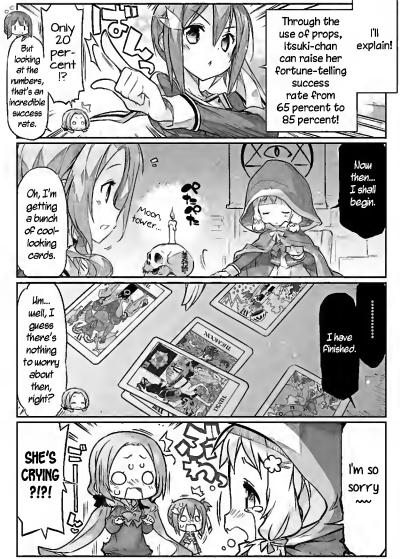
☆I doubt it

☆At a loss for words



I'll explain!
Through the use of props, Itsuki-chan can raise her fortune-telling success rate from 65 percent to 85 percent!
Only 20 percent!?
But looking at the numbers, that's an incredible success rate.
Now then... I shall begin.
Moon, tower...
Oh, I'm getting a bunch of cool-looking cards.
I have finished.
Um... well, I guess there's nothing to worry about then, right?
SHE'S CRYING ?!?!
I'm so sorry ~~

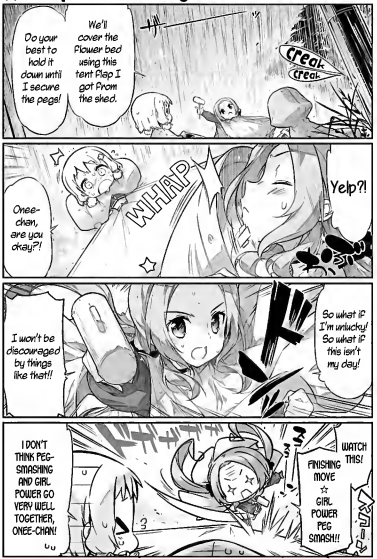
✲Clean hit

The teacher did offer to take us home but... she seemed busy so there's no way we could accept.
At least we got some garbage bags!
So in the end all the rain gear was already lent out.
Itsuki, hold on to me tightly.
Hyaa—— Incredible ——
Huh!? What is it!?
Ah! Onee-chan! In front of the elementary school!!
Hm...?
ROAR
WHACK
clang

✲Girl power(lol)

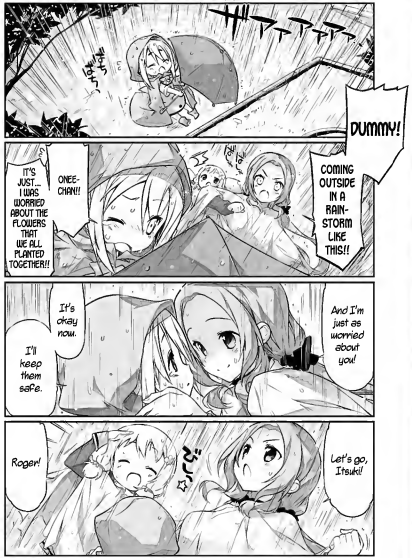
Tougou-san and Yuuna-chan had to leave early too...
Looks like it won't let up any time soon.
...So even the requests were cancelled because of the rainstorm.
Mmm, how are we going to get home.
I wish I had left a spare umbrella at school
Heh heh... Now's the time to show off my girl power.
Ta-da ☆
My trusty Folding umbrella!
ROLLING PIN!!!!!
I-it's okay, onee-chan. Let's go to the staff room and see if we can some get help.
I'm sorry, Itsuki. I'm so sorry...

☆Girl power(strong)



We'll cover the flower bed using this tent flap I got from the shed.
Do your best to hold it down until I secure the pegs!
Creak... Creak...
WHAP
Yelp?!
Onee-chan, are you okay?!
So what if I'm unlucky! So what if this isn't my day!
I won't be discouraged by things like that!!
WATCH THIS!
FINISHING MOVE ☆ GIRL POWER PEG SMASH!!
I DON'T THINK PEG-SMASHING AND GIRL POWER GO VERY WELL TOGETHER, ONEE-CHAN!

☆Leave it to me



DUMMY!
COMING OUTSIDE IN A RAIN-STORM LIKE THIS!!
ONEE-CHAN!!
IT'S JUST... I WAS WORRIED ABOUT THE FLOWERS THAT WE ALL PLANTED TOGETHER!!
And I'm just as worried about you!
It's okay now.
I'll keep them safe.
Let's go, Itsuki!
Roger!
